The "Parks for People" Saginaw County Parks Millage Committee is asking for your continued support by voting "YES" on August 3, 2010 for your Saginaw County Parks and Recreation system millage for a four-year renewal.

Currently, revenue is generated by a 10-year millage which expires in 2011. A "YES" vote on the four-year renewal will cost:

- \$5.66 / year for a house valued at \$70,000
- \$8.00 / year for a house valued at \$100,000
- \$12.00 / year for a house valued at \$150,000

Your "YES" vote on the renewal will help preserve our quality of life and pay for the operation and maintenance of our parks for the next four years.
